

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 65

January 18, 2013

SUMMARY OF BILL: Authorizes the total gross weight of a vehicle, freight motor vehicle, truck-tractor, trailer or semitrailer vehicle to exceed the maximum allowable total weight by up to 550 pounds, or the maximum amount allowed by federal law, if the vehicle is equipped with idle-reduction or emissions-reduction technology. Requires the vehicle operator to provide proof of the installed equipment to a Department of Safety representative upon request.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Department of Safety will include additional information regarding these changes at the next regularly scheduled training; the fiscal impact will be not significant.
- Authorizing vehicles to exceed the weight limits by up to 550 pounds will not result in a significant fiscal impact on the Department of Transportation.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
